

## Celebrate. Remember. Fight back.

For those people who have had their lives touched by cancer, these three phrases can invoke powerful feelings. They may be feelings of joy and happiness for those who have survived their battle with cancer, feelings of sadness for those who have lost their battle with cancer, or they may be feelings of strength and perseverance for those who continue to fight their battle. Whatever individual feelings they may invoke, the commonality is hope. Hope that in time, no one will have to face a battle with the horrendous disease of cancer.

Relay for Life is the American Cancer Society's signature fundraising event. This event is life-changing and gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. At Relay, teams of people camp out overnight and walk to raise funds to fight cancer and celebrate survivorship. This year Northstar Legal, Inc. has joined the Rotary Club of Orange County East's team in the fight against cancer and will be participating in the 2011 Relay for Life of Goldenrod. The event will be held at Eastbrook Elementary School on May 13, 2011, and starts at 6:00 pm. Our team goal is to raise \$1000.00 for the American Cancer Society to help make sure that no one loses another year of their life to cancer.

Northstar Legal, Inc. will be accepting donations to help support the American Cancer Society's efforts to fund research, education, advocacy and patient services. It is our hope that our friends will join and support our efforts this year by donating to this worthy cause.

If you would like to know more about Relay for Life, would like to donate to the cause, or would like to join Northstar Legal, Inc. at this great event, please call us at (407) 841-2045.

### Quote of the Month:

“To laugh often and much; To win the respect of intelligent people and the affection of children; To earn the appreciation of honest critics and endure the betrayal of false friends; To appreciate beauty, to find the best in others; To leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; To know even one life has breathed easier because you have lived. This is to have succeeded.”

**Ralph Waldo Emerson,**  
(1803 - 1882)
