

HAPPY NEW YEAR !!!

POLARIS & Northstar Legal, Inc.
welcomes 2012 with extended arms !!!

Let's start the New Year *not* by putting off what needs to be done, but by hiring someone to help you do it! At Northstar Legal, Inc., our candidates are screened, tested, and eager to help whip your firm back into shape!

You may ask, "What are some of the benefits of temp-to-hire placement?"

Well, first of all, you can see first-hand how well our candidates work with your firm. We screen and test all our candidates, but with temp-to-perm placement, you can also see if personalities mesh! It's a "Try it before you buy it" situation. Second, the candidate remains on our payroll so there is no commitment. Therefore you can feel confident with your choice! All actions go through Northstar Legal, Inc., so there are no uncomfortable situations, and when you are ready to hire, the transition from temporary candidate to permanent employee is simple!

The American Staffing Association had taken surveys over the years 2006 through 2009 of over 10,000 law firm Administrators and Human Resource directors. The results found an increase in the use of temp-to-perm placements, and that almost 90 percent of both clients and candidates were pleased with this option in staffing trends. Using this form of staffing can eliminate messy worker's compensation claims against your firm.

A HAPPY NEW YEAR! GRANT THAT I
MAY BRING NO TEAR TO ANY EYE
WHEN THIS NEW YEAR IN TIME SHALL END
LET IT BE SAID I'VE PLAYED THE FRIEND,
HAVE LIVED AND LOVED AND LABORED
HERE,
AND MADE OF IT A HAPPY YEAR.

Quote of the Month:

I do think New Year's resolutions can't technically be expected to begin on New Year's Day, don't you? Since, because it's an extension of New Year's Eve, smokers are already on a smoking roll and cannot be expected to stop abruptly on the stroke of midnight with so much nicotine in the system. Also dieting on New Year's Day isn't a good idea as you can't eat rationally but really need to be free to consume whatever is necessary, moment by moment, in order to ease your hangover. I think it would be much more sensible if resolutions began generally on January the second. ~Helen Fielding, *Bridget Jones's Diary*
